

## Introductions from Casual Market Chicago

1

1 | With state-of-the-art gas-fire functionality and a recessed ice container incorporated into the tabletop, the new Fire and Ice fire pit (\$4,573) from Castelle provides a solution to those looking for warm conversation and a cool beverage at the same time. Shown with the Roma Collection, a new transitional line with gentle curves and an open design. Garden Cottage in Fairfield or [castelleluxury.com](http://castelleluxury.com).

2

2 | NorthCape's New Haven Collection designed by Libby Langdon is sleek, modern and fresh with generous cushioning. Included in the collection is a round fire table (\$1,999) with a matte black aluminum base, Lusso natural concrete top and glass windscreen. At Home Recreation in East Brunswick, Hazlet and Manahawkin or [northcape.com](http://northcape.com).

3 | The focus of attention on the new Lake House deep seating chat group from Agio is the coordinating rectangular fire pit (\$1,599) with its generously sized porcelain top for serving and entertaining. [agio-usa.com](http://agio-usa.com).
