

Merritt

1. Skyline Design

Created with vacation mode in mind, the Quartz collection is made in a durable, 100% recyclable bronze woven fiber pattern over a strong, lightweight aluminum frame. The full collection includes a sofa, armchairs, coffee table and end table. Las Vegas: C-1284, C-1278

2. Urbia

Urbia shows off a variety of new outdoor stools, including Hayden, a slender piece with a unique hole detail; Paloma, which features a unique hourglass silhouette; and Jeremiah, a square-topped stool with pyramidal base. Las Vegas: C-454

3. Siscovers

Made with Solarium outdoor performance fabric, the Palm Island pillow combines bold citrus colors with a floral pattern to give an artistic flair. It's available in custom and standard 16-, 18- and 20-inch pillow sizes. Las Vegas: B-880

4. Nourison

A soft cream and gray coloration creates muted contrasts in this subtle indoor/outdoor Cozumel area rug. Its geometric design of concentric diamonds is highlighted by high-low pile and varying weaves. Las Vegas: C-112
Atlanta: B1 1-L1, B1 3-F9

5. West of the Wind Designs

These all-weather coastal prints—called Rickety Fence and Beach Umbrella—are printed on artist canvas, stretched and gallery wrapped on all-weather stretcher bars, and coated with UV-proof and waterproof lacquer. Atlanta: B1 7-D12, B2 10-10A22

6. Merritt U.S.A.

Done on a coastal blue background, the Seagulls melamine dishware and serveware feature whimsical birds designed by Maine artist Kate Nelligan. They are a part of larger coastal collection from the artist that includes buoy and clam designs. Las Vegas: C-691
Atlanta: B2 2-219

7. Harounian Rugs International

Harounian Rugs International has partnered with outdoor fabric favorite Sunbrella to offer a new indoor/outdoor rug collection called HRI Performance. Featuring Sunbrella fibers throughout, the collections range in style from transitional to mid-century and include designs from textile designer Wesley Mancini. Machine-made area rugs, hand-loomed collections from India and Nepal, as well as a broadloom options, will be available. Las Vegas: B-433

8. Think Outside

The Heaven beverage tub is made of recycled metal and can act as a cooler or planter. The beverage tub has working wheels, making it a perfect addition to a summer party or day at the beach. Las Vegas: C-891

9. Regal Art and Gift

With a shimmering copper patina over a handcrafted metal body, these 48-inch Herons bring a touch of elegance to any outdoor space. Each statue comes with an eight-inch ground stake to secure it and removable legs for easier shipment and storage. Las Vegas: C-888
