Summer Classics

Designed for comfort, the **Luna Arm Chair** blends modern and classic style. Inspired by mid-century curved rattan, the arm chair is crafted with a burlap finish from N-dura resin wicker. The herringbone pattern weave and woven corner details highlight the chair's style.

Kingsley Bate

The **Ojai Collection** is reminiscent of old California, with a touch of retro styling. Pieces are relaxed yet modern, and slightly low to the ground. The comfortable collection is crafted from all-weather wicker, handwoven around rust-proof frames. Included are lounge seating and occasional tables in a Sunset wicker color.

Forshaw

The **Palmetto Island**, a 7-ft. outdoor kitchen, has an AOG 36-inch L series grill with interior halogen lights, and double access doors. Other features are a 20-inch AOG refrigerator, Africa Persa leather granite countertop with eased edge and Eldorado Saddlewood Vintage Range stone. Granite and stone are ready to install at the project site.

Merritt

Capturing the classic, sophisticated drama of elegant stone, the **Limestone Collection** has attractive neutral beige veins running throughout the weathered blue to create movement and replicate a stone surface. Serving pieces come in a variety of shapes and styles to complement the collection's dinnerware.
