POLARIS SIDEPOST UMBRELLA FROM SHADEMAKER

The octagon 13' 1" Polaris is one of the 2020 introductions from Shademaker. A sidepost umbrella, the Polaris is easy to operate and elegant in design. A simple and unique infinite tilt function makes it the perfect shade for commercial or residential use. Durable high-performance hub and fittings and stainless steel hardware for longevity are just a few of the many features of the Polaris.

LOVINFLAME MIST CANDLE

Lovinflame's Mist glass candle encompasses aesthetics and safety, while producing

clean-burning flames for cozy indoor or breezy outdoor settings. The technology behind the flames is powered by a proprietary stainless-steel wick and a non-flammable, water-soluble, and non-toxic fuel. With a wick burn time of more than 2,000 hours, the candle can be used for years to come, offering a more sustainable alternative to traditional wax candles. CORAL GABLES

This collection was inspired by the city of Coral Gables, Florida, which was meticulously planned with a singular focus on Mediterranean Revival architecture style. At Ratana, designs are focused on the increasing desire for in-

door/outdoor contiguous living. The Coral Gables collection, with the Wild Truffle finish, aluminum frame, and flexible seating plans, can easily be created with various options for coffee/end tables, dining/bar tables and double wall weave. The modular design and interlocking system to secure sectional pieces to each other ensure that the ideal setup is yours for the taking, all year round. Contact: (866) 919-1881 or www.ratana.com.
